

List of dissertation/internship students from TBT Lab:

S. No.	University/ Institute Name	Name, class and contact	Year	Affiliations with TBT Lab	Photograph
1.	Dr. A.P.J. Abdul Kalam Technical University (AKTU), Lucknow-226201	Pragya Tiwari (B.Tech Biotechnology) Email- mail.pragya.tiwari23@gmail.com	2024 (One Month: July-August)	Summer Internship on “Hands on training on Cell Culture and Basic Molecular Biology Techniques.”	
2.	Dr. A.P.J. Abdul Kalam Technical University (AKTU), Lucknow-226201	Hema Kumari (B.Tech Biotechnology) Email- kumarihema99999@gmail.com	2024 (One Month: July-August)	Summer Internship on “Hands on training on Cell Culture and Basic Molecular Biology Techniques.”	
3.	Central University of Punjab Bathinda, Punjab-151401	Ashutosh K Tiwari (M.Sc Zoology) Email- ashutoshlokes h@gmail.com	2024 (One Month: June-July)	Summer Internship on “Hands on training on Cell Culture and Basic Molecular Biology Techniques.”	

4.	Banaras Hindu University	<p>Shoumya Shree (M.Sc Zoology)</p> <p>Email- shoumyamgs@gmail.com ; riyamgs11@gmail.com</p>	2022-2024	<p>Dissertation on “A field study on analysis of agronomic practices of pesticides and their impact on metabolic disorders in south-eastern region of Uttar Pradesh.”</p>	
5.	JSS Academy of Higher Education and Research, Mysore, Karnataka	<p>Sakshi Chandra (M.Sc Molecular Biology)</p> <p>Email- csakshi04@gmail.com</p>	2024 (Six months: February - July)	<p>M. Sc Dissertation (visiting) on “Evaluation of the impact of methimazole on tumor growth and chemoresistance”</p>	
6.	Banaras Hindu University	<p>Swastik Arya (M.Sc Zoology)</p> <p>Email- arya.36swat@gmail.com</p>	2022-2024	<p>Dissertation on “In-silico studies to identify insecticidal property of phytochemicals against the malaria vector <i>Anopheles culicifacies</i> by targeting the key enzymes of Dopamine, Tyramine and Octopamine biosynthesis pathways”</p>	

7.	Banaras Hindu University	Mayank Tiwary (B.Sc Hons.) Email- mayankmr5tiwary@gmail.com	2021-2024	Term Paper on “Innovations in Cancer research: A hopeful horizon”	
8.	Banaras Hindu University	Anuj Sonkar (B.Sc Hons.) Email- sonkaranuj021@gmail.com	2021-2024	Term Paper on “Pancreatic Cancer and its Therapeutic strategies”	
9.	Banaras Hindu University	Atal Singh (B.Sc Hons.) Email- atalsinghnow@gmail.com	2021-2024	Term Paper on “Exploring Epithelial to Mesenchymal Transition (EMT): A Key player in Cancer Metastasis”	
10.	Amity University	Manwi Shankar (M.Sc. Forensic Science) Email- manwishankar@gmail.com	2023 Two months (02/09/23 - 31/10/23)	CSTUP SRFP (Summer Research Fellowship) On “Investigating the anticancer potential of various plant based compounds through molecular docking analysis.”	
11.	University of Hyderabad	Shashwat Rai (M.Sc. Life Science) Email- shashwatrai68@gmail.com	2023 Two months (28/05/23 - 24/07/23)	M. Sc Dissertation (visiting) on “Basic cell culture and Molecular technique”	

12.	National Institute of Technology, Rourkela	Shalini Yadav (M.Sc. Life Science) Email- shalini00486@gmail.com	2023 Two months (24/05/23 - 20/07/23)	M. Sc Dissertation (visiting) on “Basic cell culture and Molecular technique”	
13.	Banaras Hindu University	Simran Yadav (M.Sc Zoology) Email- yadavsimran143@gmail.com	2021-2023	Dissertation on “Targeting Plasmeprin V and Lactate Dehydrogenase by molecular docking: A new approach for antimalarial drug discovery and various wet laboratory techniques.”	
14.	Banaras Hindu University	Kajal (M.Sc Zoology) Email- nishakajalbhu@gmail.com	2021-2023	Dissertation on “An in-silico approach to evaluate the therapeutic potential of insect derived peptides against idiopathic membranous nephropathy.”	

15.	Banaras Hindu University	Priya Pandey (M.Sc Zoology) Email- priyapandey30.sp@gmail.com	2021-2023	Dissertation on “Molecular docking studies of Solenopsin to apoptosis, cell cycle regulation, invasion and metastasis, angiogenesis and glycolysis molecules.”	
16.	Banasthali University	Ishika Jain (M.Sc Biotechnology) Email- ishikajain2112@gmail.com	2021-2023	Dissertation on “Identification of metabolic inhibitory potential of certain phytochemicals by in silico methods and hands-on training on related wet-lab techniques.”	
17.	Banaras Hindu University	Abhishek Kumar (M.Sc Zoology) Email- ak24096@gmail.com	2020-2022	Dissertation on “Role of Antimicrobial peptides in insect immunity.”	

18.	Banaras Hindu University	Pooja Aggarwal (M.Sc Zoologya) Email- ng19081996@gmail.com	2020-2022	Dissertation on “Anticancer activities of insect derived peptides.”	
19.	Banaras Hindu University	Rishita Pandey (B.Sc Hons) Email- rishitampandey9@gmail.com	2020-2023	Term Paper on “Metabolism of innate immune cells in tumor microenvironment that benefits tumor progression.”	
20.	Banaras Hindu University	Saurabh Yadav (B.Sc Hons) Email- ydvsaurabh031@gmail.com	2020-2023	Term Paper on “Nature’s Pharmacy Divine tree neem.”	
21.	Sharda University greater Noida	Ruchi Rai (B.Tech Biotechnology) Email- ruchirai150@gmail.com	June 2019- July 2019	One month training on “Basic animal cell culture and molecular biology techniques.”	

22.	Sharda University Greater Noida	Rishita Dwivedi (B.Tech Biotechnology) Email- rishivaisnav@gmail.com	June 2019- July 2019	One month training on “Hands on training on Animal cell culture techniques.”	
23.	Sharda University Greater Noida	Shubham Kant (B.Tech Biotechnology) Email- 2015shubhamkant@gmail.com	June 2019- July 2019	One month Training on “Animal cell culture and molecular biology techniques.”	
24.	Uttranchal University Dehradun	Swati Sinha (M.Sc Biotechnology) Email- swati123mitra@gmail.com	2021- 2023	Dissertation on “Basic animal cell culture and molecular biology techniques.”	
25.	Uttranchal University Dehradun	Madhu Kaushik (M.Sc Biotechnology) Email- mkdhanbiotech007@gmail.com	2021- 2023	Dissertation on “Basic animal cell culture and molecular biology techniques.”	

26.	Banaras Hindu University	Sayma Azeem (B.Sc. Hons) Email- saymas05@gmail.com		Term Paper	
27.	Banaras Hindu University	Nidhi Singh (B.Sc Hons) Email- nidhi16sn@gmail.com	2016-2017	Term paper on “Role of miRNA in regulation of nutrient transporters in cancer cells.”	
28.	Banaras Hindu University	Suchitra Sen (B.Sc Hons) Email- (N/A)	2018-2019	Term paper on “Birds of BHU”	
29.	Banaras Hindu University	Pushp Ranjan (B.Sc Hons) Email- (N/A)	2015-2018	Term paper on “The role of altered Treg cells in the pathogenesis of asthma.”	
30.	Banaras Hindu University	Utkarsh Dubey (B.Sc Hons) Email- (N/A)	2019-2012	Term paper on “Plants as immunosuppressive agents.”	
31.	Banaras Hindu University	Sakshi Parshuram Fulzele (B.Sc Hons) Email- (N/A)	2019-2021	Term Paper on “Immunosuppression by Bacteria.”	
32.	Banaras Hindu University	Mangal Kumar Patel (B.Sc Hons) Email- (N/A)	2019-2021	Term paper on “Fungal immunosuppressants”	

33.	Bhagalpur University	Shrut Shriyansh (B.Sc Biotechnology) Email- (N/A)		One Month Training on “Hands-on Training on Animal cell culture techniques.”	
34.	Sardar Patel University, Gujrat	Garima Negi (M.Sc Biotechnology) Email- garimanegi14@gmail.com		Dissertation on “Elucidating the role of ethanol on cell line survival and altered metabolism.”
